

Virtues

- 1) I have the responsibility to **Stop Work** when I believe something may be unsafe.
- 2) I will inspect, maintain and wear **Personal Protective Equipment (PPE)** appropriate for the type of work being conducted.
- 3) I will verify that equipment is **Isolated** and **De-Energized** before working on it (LOTO).
- 4) I will never walk under a **Suspended Load**.
- 5) I will make and follow the **Journey Management Plan**.
- 6) I will wear fall protection when **Working at Heights**.
- 7) I will look out for my co-workers to identify **Hazards** that they may have overlooked.
- 8) I realize that **Hazard Identification** is nothing without **Corrective Actions** to follow.
- 9) I will ensure all safety equipment is **Certified** and in good working condition before I use it.
- 10) I will never enter a **Confined Space** without required authorization.
- 11) I will complete a **Management of Change (MOC)** when changes are necessary.
- 12) I will participate in **Job Safety Analysis (JSA's)** and follow **Safe Work Procedures**.
- 13) I will protect the **Environment** by following established requirements for **Waste Management** and **Spill Prevention**.
- 14) I will **Report ALL Incidents** and **Near Misses** no matter how small; they could prevent something bigger later.

**I will come to work mentally and physically prepared so that
EVERYONE can GO HOME SAFELY.**
